BAKO BULLETIN

From the office

Behind the scenes, we've been busy working on a new product guide for the over 1500 products that we currently stock. We are pleased to say that our full product guide is now on our website. This can be found with our 8 smaller guides that focus on different categories, from frozen bread to confectionery ingredients. These guides don't feature any of our products that are currently available for special order only.

If you can't find what you are looking for, please speak to a member of the team and they will be happy to help you find the right products for your business.

Dates for our calendar:

Taste the World with Macphie

Consumers are seeking cultural variety with their food, allowing them to be transported to countries across the world, and be immersed in new cultures in an economic and tasty way.

With the exceptional versatility of Macphie products, you have the perfect foundation to blend flavours from diverse cuisines into exciting new creations. By doing so, you can elevate your menu, attract adventurous customers, and boost sales by offering a true taste of global exploration.

For example, by combining Macphie Crème Cake Mixes with Glendelight® and Mactop Extra®, you can easily craft a Latin American-inspired tres leches cake. Customise it with global flavour twists, such as the indulgent richness of a Black Forest infusion, to surprise and delight your customers.

And that's just the beginning - the adaptability of our Crème Cake Mixes unlocks endless possibilities for creating a wide range of innovative sweet treats.

Dawn proudly introduces
New Improved Creme Cake Bases

All of our Creme Cake Bases are easy-to-use, perfect for today's busy baker. These versatile cake bases are ideal for everything from loaf cakes and sheet cakes to cupcakes and muffins. They deliver consistent results every time, even for less experienced staff. Designed to hold inclusions and blend seamlessly with other Dawn ingredients, their possibilities are limitless!

Now, with our new reformulated plain and chocolate bases, you will find **improved moistness, higher volumes,** and you can choose an alternative application recipe which uses **20% less egg,** reducing your cost-in-use without compromising on performance.
